REPORT AND RECOMMENDATION

Pursuant to 28 U.S.C. § 636(b), I conducted a plea hearing in this case on June 25, 2015. At the hearing, defendant moved to withdraw his not guilty plea to Count Two of the two-count Indictment and entered a plea of guilty to Count Two of the Indictment, in exchange for the undertakings made by the government in the written amended plea agreement. On the basis of the record made at the hearing, I find the defendant is fully capable and competent to enter an informed plea; the plea is made knowingly and with full understanding of each of the rights waived by defendant; the plea is made voluntarily and free from any force, threats, or promises, apart from the promises in the amended plea agreement; the defendant understands the nature of the charge and penalties provided by law; and the plea has a sufficient basis in fact.

Therefore, I **RECOMMEND** defendant's motion to withdraw his not guilty plea to Count Two of the Indictment be granted, his plea of guilty to Count Two of the Indictment be accepted, the Court adjudicate defendant guilty of the charges set forth in Count Two of the Indictment, and a decision on whether to accept the amended plea agreement be deferred until sentencing. I further **RECOMMEND** defendant remain in custody until sentencing in this matter. Acceptance of the

plea, adjudication of guilt, acceptance of the amended plea agreement, and imposition of sentence are specifically reserved for the district judge.
